

In one year, Dogs Trust rehomed 8,385 dogs!

Each big block represents a thousand dogs!

Each tiny square represents one dog. There's one square for every single dog that Dogs Trust rehomed!

This block here represents 300 dogs. How many hundreds of dogs were rehomed in total?

Here are the 'tens'. How many 'tens' are there in each thousand?

These five are the 'units'. They're tiny - just like me!
